Subject: Re: ISWG Info Update... Save the Date!

ISWG.. We had a typo regarding the meeting times for the May 18th full workgroup briefing and path forward - 3 hour meeting.. It will begin locally (Salt Lake City) 8:00am MT; 9:00am CT; 10:00am ET.. Etc.

I have corrected the detail below...

If you are attending the workgroup meeting only and not the other IOGCC activities or sessions you will not need to register with IOGCC.

We do need to get a count of those who will be in attendance in Salt Lake City and those who will be calling in. Please let us know once your plans have been made.

Thanks! Ben
